GOODWOOD ULTIMATE EXPERIENCE
FESTIVAL OF SPEED AND REVIVAL

PADDOCK CLUB ACCESS

Attend the world's greatest celebration of motorsport and car culture! Held in the beautiful parkland surrounding Goodwood House, the Festival of Speed is motorsport's ultimate summer garden party, an intoxicating celebration of the world's most glamorous sport. Nowhere else will you get so close to the cars and bikes as they blast up the Hillclimb track; nowhere else will you enjoy such unrestricted access to the machines and the drivers who made them famous. In the early years of the Festival, tens of thousands attended over the weekend; it currently attracts crowds of around 100,000 on each of the three days it is now held.

In the paddocks there are neither barriers nor containment cords; that means that you can almost touch the cars and take pictures with the celebrities of the industry! The paddocks are composed of several box-gazebos, as was once the FI, divided in categories and periods.

Being a Drivers Club Pass holder you are given access to the starting and finishing parterres of the track and especially the one where drivers and cars await their turn to enter the track.

DRIVERS CLUB

The Drivers Club, usually set up by Martini, is made up of an outdoor garden and a large room where only the pilots and their escorts have access. It is the aggregation point of the protagonists of the festival; in this structure the pilots have changing rooms to change and deposit their equipment.

Sit back and relax while following the activities of the event through the room monitor.

DRIVING EXPERIENCE AT RALLY ARENA

Alfa Romeo GTA “London-Mexico 1995”. A unique opportunity to feel in the middle of the action with 2 sessions per day inside the Rally Arena where the fans will admire the drivers and the cars on the circuit.

GALA DINNER WITH PILOTS

Have the exclusive privilege of dining with the guests of the Duke of Richmond and the pilots. Join them at the gala dinner hosted at the Goodwood House. This benefit is generally only given to few Italian VIPs and team pilots, like Agostini and Merzario.

Tuxedos are a must. After dinner a pyrotechnic show is offered every year, with exceptional guests from the music industry to entertain you through a dancing evening.

VISION GROUP

THE GOODWOOD REVIVAL

Goodwood Revival is a classic festival held each September for vehicles that would have competed during the circuit's original period from 1948–1966. It is a magical step back in time and a unique chance to revel in the glamour of motor racing at the world's most authentic circuit while immersing yourself in the vintage fashion, motor racing and entertainment from the 40s 50s & 60s. At Revival you'll be the protagonist driving our Alfa Romeo Giulietta SS "Low Nose" and experience all phases of the race starting from race trials, continuing with qualifications and culminating with the official race! This Giulietta SS owned by Scuderia del Portello and known as "low nose – muso basso", took part in the 2009 edition of the Goodwood Revival Meeting in Great Britain, as well as several editions of the Coppa Intereuropa in Monza and the European Championship.
